• Policy Envelope Mini Album Directions:

1. The mini album base is made using five large Black Policy Envelopes. Use the 2 "Vintage" envelopes for the front and back covers, the two "Unique" envelopes for the 1st and 4th pages, and the "Create" envelope for the 3rd page. Begin by inserting (3) 4" x 6" Floral Shoppe Ephemera Cards inside each of the front and back cover envelopes. Next, you will cut (4) 3³/₄" x 5" photo mounts from *Sunlit Medley*, adding 2 to each of the medium sized envelopes. Then cut (2) 3³/₄" square photo mounts from *Verdant Blossoms* to insert in the smallest envelope. As an option, you may punch (10) 1/2" circles from paper scraps to adhere as custom covers for the string tie buttons.

2. Place the long side of the "Vintage" envelopes face down and with the flap on the left and score each envelope at 7" as shown.

Burnishing each score line with a bone folder, folding the creased area toward the envelope flap.

3. Add adhesive to the 2" flap area of one Policy Envelope, as shown in the photo.

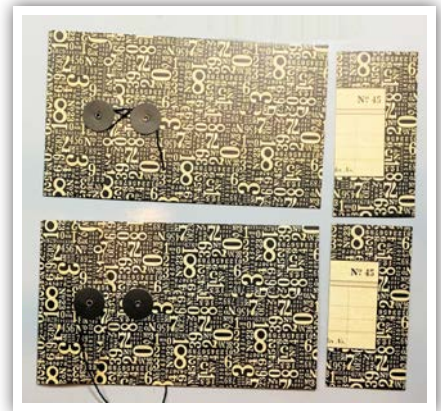

4. Overlap the 2" flaps on each envelope and adhere them together to form a 2" spine. Burnish with a bone folder to seal completely.

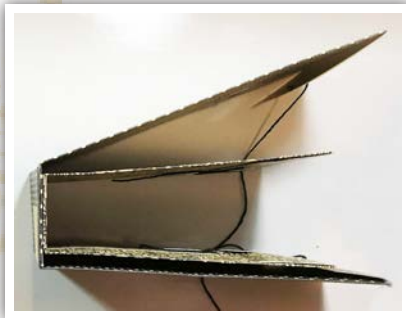

5. Fold the creases at 90° to form the front and back covers of the mini album.

6. Cut 2" from the base of each "Unique" envelope. (Save the 2" pieces to make pockets inside the album later.) Open the base of the envelopes and add a small amount of adhesive to reseal.

7. Now place the envelopes face down and score each envelope at 5¹/₂". Repeat steps 3, 4 & 5 to form a page unit with a 1¹/₂" spine. Add adhesive to the outside of the spine.

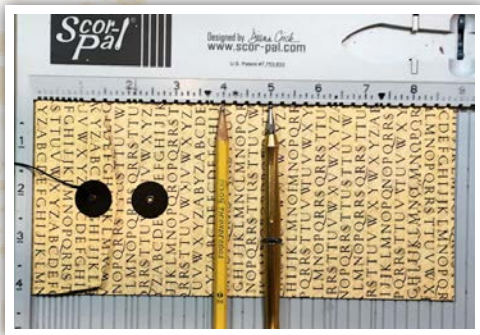

Double Layout, Envelope Mini Album & Gift Card Holder

8. Insert this page inside the cover, being careful to center and align the 1½” spine with the 2” spine. Lay flat and burnish the spine area with a bone folder to seal completely.

9. Use a circle punch to add a thumb hole to each of the 2” sections you trimmed from the “Unique” envelopes from step 6.

10. Place the “Create” Policy Envelope on your scoring tool as we did in step 28. Score at 4” and 5”. Burnish the score lines to form a page with a 1” spine, shown below.

11. Add adhesive to the outside spine and add the page to the album as we did in step 8. The mini album base is now finished.

12. Now we will decorate the cover. Lay the album base face down and flat on your work surface. Cut two 6⅞” x 3⅞” rectangles of *Indigo Lilies* and adhere the “B” side to front and back covers.

13. Score the “B” side of a 4⅝” x 3⅞” *Indigo Lilies* rectangle at 1½” and 3¼”. Burnish the score lines to form a cover for the spine.

14. Add adhesive to the “B” side of spine cover and adhere to the mini album spine, being careful to center and line up with the folds on the spine. Burnish to seal. Open and close gently a few times to ensure that the album will open easily. Adhere ¼” Scor-Tape around the midsection of the album base, as shown in photo. Remove the liner tape.”

15. Cut 36” (1 yard) of ⅜” Ivory Satin Ribbon. Fold in half to find the center, then place the center of the ribbon in the center of the spine to create the ribbon closure. Burnish to seal the ribbon.

Double Layout, Envelope Mini Album & Gift Card Holder

16. Remove "Bloom and Grow Forever" title from Floral Shoppe sticker sheet. Add additional adhesive to the back and adhere to the base of the album. Burnish to seal. Create a banner flag on the bottom of a 1" x

1 3/4" rectangle from the "B" side of *Burgundy Blossoms*. Center and adhere at the top of the spine. Adhere the yellow rose chipboard stamp over the Burgundy Blossom banner flag as seen in this photo. Adhere the "Happiness" ticket sticker to the bottom center back cover (not shown).

17. For the cover, cut a 5" x 3 1/2" rectangle from the "B" side of *Burgundy Blossoms*. Center and adhere a 5" x 3" rectangle of "Golden Serenity" on top.

18. With the album base open and face up on your work

surface, center and adhere the layer to the album front.

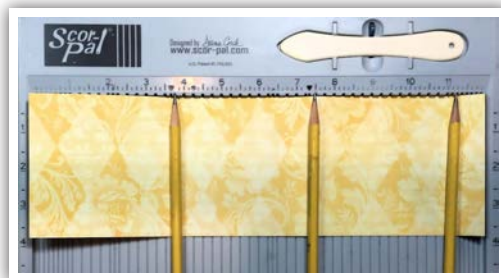

19. Cut 3 banner flags as follows: *Burgundy Blossoms*, 5" x 1 1/4"; *Sunlit Medley*, 3 1/2" x 1 1/2"; *Golden Serenity*, 4 3/4" x 1".

20. Adhere to cover, overlapping edges as seen in the photo.

21. Adhere foam tape to the reverse side of "Let the Beauty" 3" x 4" ephemera card. Center and adhere to cover. Remove "Indigo Floral Frame Journal Tag" from the sticker sheet and cut in half from left to right. Adhere half above and slightly right of the focal image. Adhere the other half below and slightly left of the focal image. Adhere "Flower" chipboard tab along the right hand edge of the focal image. We will come back and add the flower cluster to the album once the inside is finished. It is easier to complete the inside of the album when it can lie flat.

22. Page One. This page will have a pocket made from the trimmed "Unique" Policy Envelope and an interactive accordion fold mechanism. Begin by scoring a 12" x 3 3/4" rectangle of *Indigo Lilies* at 3 3/4", 7 1/2", and 11 1/4".

Double Layout, Envelope Mini Album & Gift Card Holder

23. Accordion fold so that the *Indigo Lilies* floral print is on top, and the $\frac{3}{4}$ " flap is on the bottom.

24. Adhere a $3\frac{3}{4}$ " square of *Indigo Lilies* to the top side of the flap. Fold the accordion mechanism closed.

Page 2: Will have a flap style pull out and pocket.

28. Cut a 5" x $3\frac{1}{2}$ " rectangle from *Scarlet Serenity* adhere 3 sides to the page to form a pocket for the pull out mechanism.

25. Center and adhere the prepared "Unique" envelope pocket to the top of the accordion fold mechanism. It will be slightly wider than the mechanism, but that is not a problem.

26. Place the accordion fold mechanism face down. Add a strip of $\frac{1}{4}$ " Scor-Tape across the back so that it will run about 1" below the top edge of the envelope pocket.

(See photo for placement.) Remove the liner tape and add 18" of $\frac{3}{8}$ " ivory ribbon, centering it as you did for the album closure. Adhere the accordion to the album base, just to the right of the lower string tie "button."

27. (Shown in next photo) Tie the ribbon closure. Then adhere the "Love" Chipboard Charm directly to the pocket, just below the knot in the ribbon. Mat "You Are Loved" ephemera card, journaling side up on a slightly larger piece of *Scarlet Serenity*. Punch a hole in the top and thread ribbon through the "My Happy Place" chipboard charm. Insert in pocket.

29. Score "Earth Laughs in Flowers" ephemera card in half on the long side. Cut two $3\frac{3}{4}$ " x $2\frac{3}{4}$ " pieces from *Scarlet Serenity* and adhere the rectangles on the image side, one above and one below the fold, as shown.

32. Begin by scoring a 7 1/2" x 3 3/4" rectangle of *Verdant Blossoms* in half on the long side. Fold, crease and adhere to the page. Fold shut.

33. Cut a 3 3/4" x 2" rectangle from the "B" side of *Verdant Blossoms*. Adhere just the sides to the cover of the fold

out, forming a belly band. Insert "My Happy Place" ephemera card inside the belly band. Thread a 4" piece of ribbon through the floral journaling chipboard and adhere to the front of the belly band.

Page 5: Features a pocket made from the "Love Grows Here" 4" x 6" ephemera card.

34. Cut the 3 gift tags from the product packaging. Ink the edges with *Decades Antique Moss* and cover front and back with six 1 3/4" squares cut

from scraps of *Burgundy Blossoms*, *Verdant Blossoms* and *Sunlit Medley*. Set aside. Cut "Love Grows Here" 4" x 6" ephemera card on the long side at 3 3/4". Adhere this piece to the album just to the left of the fold.

41. Cut a 3 1/2" x 3 3/4" rectangle from the "B" side of *Scarlet Serenity*. Center and adhere to the front cover of the fold out page.

Trim 1/8" off both side of the "There are always flowers" ephemera card and adhere to the front of page 8.

Page 9: Features a tri-fold with a flap closure.

42. Begin by scoring a 12" x 3 3/4" rectangle of *Burgundy Blossoms* on the "B" side at 5" and 10". This will leave you with a 2" flap on the right. With the "B" side face up, adhere the bottom edge of "Bloom where you are Planted" Ephemera Card to the bottom edge of the left hand page. Then adhere the journaling side of "Bloom and Grow" ephemera card to the right hand page, slightly left of the fold.

Burgundy Blossoms. Center and adhere to the flap closure. Adhere the “Floral Ticket” cardstock as seen in the photo. This will hold the flap shut.

Page 10: Features a hidden pocket and flap mechanism.

45. Scoring the “Be Beautiful” 4” x 6” ephemera card $\frac{3}{4}$ ” from the left hand edge to form a flap. Then cut a 4” square from the “B” side of *Golden Serenity*. Adhere the “Be Beautiful” flap behind the left hand edge of *Golden Serenity*. Close flap, center the mechanism and adhere to page. Adhere the prepared Policy Envelope pocket to page as shown in photo.

46. Next, cut out the $2\frac{1}{2}$ ” x $3\frac{1}{2}$ ” tags from the product packaging. After inking the edges with Decades Antique Moss, trace them onto scraps of *Burgundy Blossoms* and *Golden Serenity*. Cut out the traced shapes and adhere to tags. Punch holes in the tops of the tags and attach “Let Love Grow” and “Ornate Floral” chipboard charms with ribbon and insert in pocket.

47. Now we will add the flower cluster to the cover. Start by adhering the leaves along the left hand side of the focal as seen in this photo.

48. Use hot glue to adhere floral elements. If you do not have a hot glue gun you may use Glue Dots or a strong liquid adhesive. Select 2 open roses and one rose bud for the cluster. Adhere the largest rose first, then add the other open rose slightly above it. Cut the wire stem on the rose bud and tuck in between the two open roses.

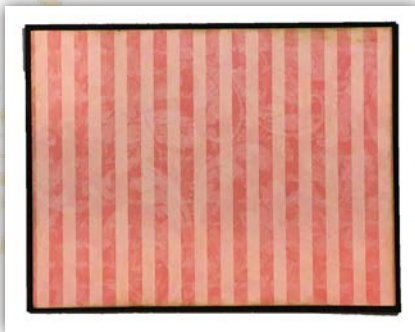

49. Cut some of the spiral wires and insert into the cluster. Then mat the small “Flowers” tag sticker on a piece of scrap cardstock to strengthen it. Add a small dab of adhesive on the back and tuck beneath the largest rose and the rose bud on the outside of the flower cluster.
